INVESTMENT FEES - STANDARD

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The sections below set out the different ways in which I can calculate the correct level of fee for the initial advice. Only one of these will apply and once I have a better understanding of your situation I will confirm the appropriate fee structure and be able to give you the actual fee amount that will apply to you.

The section below sets out the fees for the initial advice I offer. Once I have a better understanding of your situation I will go through the fee structure and be able to give you the actual fee amount that will apply to you.

I am not able to receive or retain any other inducements from a product provider. Should I receive any additional fee, commission, monetary or non-monetary benefit as a result of a recommendation made to you I will return this to the product provider or transfer it to you (as appropriate) and attempt to stop further payments/inducements being received.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained the fees below will cover a full advice process: understanding your current situation, objectives, attitude to risk, research to identify suitable solutions, documenting our recommendations and implementing the agreed solutions.

Fees for the design, production and implementation of a financial strategy are calculated as follows:-

INITIAL FEES:

1 Percentage of amount invested

In respect of Lump Sum Investments and Single Premium Pensions

The fee is calculated according to the size of the transaction, as set out below:-

Initial fees:

When our work involves investing a lump sum of money, our fees are 3%.

Our charge is 3% of the sum invested, which for an investment of

- £75,000 would be £2,250 and for
- £100,000 would be £3,000

The fee outlined above is raised when the investment is made and it is likely that no VAT is due on these fees.

If you ask us to stop work after agreeing to these fees you will be invoiced at our minimum fee of £300.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

2 Fixed Rates

We offer a range of advice services at fixed rates, set after an initial consultation. Full details of all fixed price services available will be provided on request but our typical fees for two levels of Financial Review are:

Full Financial Review £1,800

A fully documented review of your assets and liabilities and net worth; current and projected income and expenses (e.g. projected into retirement); insurance policies, retirement provision and other investments, including an analysis of current product and fund features and estimated inheritance tax liabilities with generic recommendations to meet your broad financial objectives.

Basic Financial Review £800

A simple documented review of current arrangements in relation to your objectives, orientated to meet a particular need (such as retirement income) with generic recommendations

If no further work is undertaken leading to an actual investment; it is likely that VAT is due on these fees.

Minimum Fees & VAT

The fees outlined above are raised when the investment is made and will NOT be subject to VAT

The fees outlined above are raised when the investment is made and will NOT be subject to VAT If you ask us to stop work after agreeing to these fees you will be invoiced at our minimum fee of £300 If detailed recommendations with illustrations have not been provided and discussed with you at this point; the charge will be subject to VAT at the standard rate.

Existing client discount:

We are committed to treating clients fairly. Our research has shown that the time it takes to work with a new client is longer than an existing client, mainly related to getting to know them to advise them comprehensively.

To reflect that and to reward the loyalty of our existing clients, we offer the following:

- Discounts on implementation fees.
- The removal of minimum fee levels for implementation fees.

An existing client is defined as:

- A client who has implemented mortgage business with your adviser in the last 3 years, or a non-mortgage client who has affected a plan where we had received ongoing income (trail commission or fee) in the previous 12 months.

Family member discount:

Retaining your wealth and ensuring it is passed on as ethically as possible to the right people at the right time is key for all our clients. To help facilitate that it is beneficial to know as much about your family unit that is appropriate to your circumstances so that we can help at that critical time. To assist with this we also offer:

- Discounts on implementation fees for family members.
- The removal of minimum fee levels for implementation fees for family members.

A family member includes a person's parents, spouses, siblings, children, grandparents and grandchildren, whether connected by birth, adoption, guardianship, marriage, civil partnership or cohabitation"

Implementing Investment Solutions

As with most investments there is a risk of loss, especially in the short-term (over periods of less than five years). If you need access to your money in the very short-term, then holding it in a risk-free bank account could be the

right course of action. We will discuss these options with you, as well as providing a detailed suitability report for you to read in your own time, before we implement our recommendations. This will help ensure you understand the advice you have been given. Of course, if you have any questions, we will be happy to help. You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

When we arrange an investment for you it will typically be made into a collective investment fund. These funds have a range of different investment strategies so we will recommend one that aligns with your attitude to risk and the period of time you wish to invest for.

These funds will typically be bought via an investment platform that we recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our Best Execution Policy. For example, for the majority of collective investments, they will be bought or sold at the next Valuation Point (typically 12.00 Midday) the next business day, after the instruction has been received by the platform.

Once we have agreed on an appropriate solution, we will provide you with full details of the investment fund, platform, and all associated costs.

ONGOING SERVICE & FEES

Set out below are the detailed elements for the indicative level of ongoing service that we deliver to our clients.

Our fees for the service can be seen below:

Where a client's portfolios grow in terms of value, and potentially complexity, these need to be managed and reviewed appropriately. Building on our annual review service, this offering has frequent reviews and opportunities to ensure clients are kept informed of performance, and plans maintained in line with client's circumstances and objectives. This may well include consultations with other specialist advisers.

At a review, we will cover:

- Assessment of personal circumstances
- Review of your goals & objectives
- Reassessment of your attitude to investment risk/return & market sectors (asset allocation)
- Review of investment performance & holdings
- Valuations & investment commentary
- Where appropriate, recommendations in order to keep your new / existing* plans in line with your objectives

*Advice on new investments/savings will be subject to our 'initial fees' as shown under our 'Investment Fees - Standard' section earlier.

Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

Service includes a review, as shown in the table below:

Alternatively, for clients and their families with more complex financial arrangements likely to need a range of support services over time such as IHT planning, remortgaging, taking retirement benefits over time and regular cash flow monitoring, we may agree a monthly retainer that reflects the service required, paid by standing order or direct debit. Details are available on request.

Examples of Ongoing Fees

If we look after you via our ongoing service (as detailed above) and your investments are valued at £80,000, our fee is 1.25%. Therefore, the annual payment to us will be £1,000.

If we look after you via our ongoing service (as detailed above) and your investments are valued at £500,000, our fee is 1.25% for the first £100,000 and 1% for the next £400,000. Therefore, the annual payment to us will be £5,250.

If we look after you via our ongoing service (as detailed above) and your investments are valued at £3,000,000, our fee is 1.25% for the first £100,000, 1% for the next £900,000 and 0.5% for the subsequent £2,000,000. Therefore, the annual payment to us will be £20,250.

The elements that make up your ongoing servicing package are subject to alteration; I will notify you in advance and in writing if any of these aspects change.

Impact of Fees

When you make an investment there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund managers charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

INVESTMENT FEES – AD HOC / WHERE NO ONGOING SERVICE IN PLACE

If you do not wish to subscribe to an ongoing service, we provide many services on an ‘ad-hoc’ basis. Should you require any services as noted below, or bespoke work to be carried out, we will be able to tailor a specific service. **Please note that implementation fees are in addition to the examples shown below.**

Prior to any work being agreed and carried out we will give an indication of the cost. These additional fees might be paid by single payment (e.g. by cheque) or charged from your investment plan(s).

Fees will depend on individual circumstances, but are typically:

Face to face meeting to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern	No charge
Advice and recommendation to address an agreed area of need/concern (e.g. retirement planning, estate planning, investment solution)	£800-£1,800
Initial advice	Percentage of Investment or Transfer amount
	When our work involves investing a lump sum of money, our charges are 3%

Please note that these services on their own are likely to attract Valued Added Tax (VAT), in accordance with current HMRC (Her Majesty’s Revenue and Customs) guidelines.

Where any of the above services are included in an ongoing service option, you will not be charged separately for these services.

MORTGAGE & PROTECTION - ONGOING SERVICES & FEES

Set out below are the details for the ongoing service that we deliver to our clients.

You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

- 1 **Communication** - In order to provide you with a high-quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you
- 2 **Protection** - It is important to ensure your current protection plans and provisions remain in line with your requirements, which may change over time.
- 3 **Mortgages** - If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. Ideally this will be 6 months beforehand. We encourage you to contact us should your financial circumstances change in the meantime.

We will make reasonable endeavours to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

Client Classification Levels For Your Protection

The FCA has rules which affect the rights you have as a customer. In our dealings with you we will be representing you as the customer, rather than acting on behalf of an insurer.

We classify all our individual customers as 'retail' customers. The range of financial products and investments we recommend are tailored to meet the needs of retail customers. You will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other classifications of customer that don't have these rights. These are "professional" customers and "eligible counterparties".

You have the right to be classified as a professional client. Should you feel you have the skills knowledge and experience to be a Professional client and don't wish to have the same protection afforded to retail clients, please let me know and we will complete the forms necessary to reclassify you.

If you have any questions regarding your classification (e.g. if you are a large company), please write to Quilter Financial Services Ltd Compliance Department, Quilter Financial Services Limited, Wiltshire Court, Farnsby Street, Swindon. SN1 5AH or to the Financial Ombudsman Service and FSCS.

Client Money Peace Of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is

important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Investment Advice and Recommendations Scope

Any investment advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in a Suitability Advice Report.

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in the Suitability Advice Report. We will always make it clear when products are not within the 'regulated' scope and advise you of your rights.

Paying For Advised Services

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided, which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of any future Service fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Cancellation / Termination of Authority

The Ongoing Service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details provided. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments we will endeavour to instruct the Provider, Platform or DFM to stop the fee within 5 working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

Investment Advice Refunds

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given, and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

Language

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include Face-to-Face meetings, Post, E-mail and by telephone.

Location of Advice

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any overseas location.

Timing of Reports

Financial Planning: I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation and where applicable before implementing any advice that I have recommended.

Mortgage Advice: I will send you a Suitability Advice Report setting out the reasons for my recommendation within 15 days of making that recommendation.

Protection Advice: I will send you a Demands and Needs statement setting out the reasons for my recommendation, before the policy starts. If I am advising you by telephone, and the policy starts on the same day the Demands and Needs statement will be sent by the end of the next working day.

If you would like this in an alternative format e.g. Braille, Moon, Clear and Large Print, Audio documents (Cassette, CD, MP3 or Wav) or any other languages please let me know.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

The adviser fee made for an ongoing service is also VAT free provided it is in respect of an intermediation service. This means activities such as topping up an investment or utilising available investment tax allowances, such as the ISA allowance. In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

However, where a Discretionary Fund Manager (DFM) forms part of a solution, then VAT may become chargeable.

Declaration of Other Interests

Quilter has a number of payment arrangements with various product providers to facilitate adviser learning and enhance the outcomes for our customers. Further details are available on request.

To ensure that customer interests are always put first, we operate a robust Conflict of Interest and Inducements

Policy. If a potential conflicts of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly.
