WHEREVER YOU ARE ON YOUR FINANCIAL JOURNEY, WE'RE HERE TO GIVE YOU ADVICE YOU CAN DEPEND ON.

Our services are comprehensive, which means your adviser can offer you professional advice across all the stages of your financial life. Whether you are looking to build wealth in preparation for retirement, preserve wealth once retired, protect your family financially, or manage property or business wealth, our advice services are designed to be flexible and to secure the best outcomes for you.

To do this, we offer a range of advisory services which are designed to meet your needs as your life evolves. You can choose to receive some or all these services at any time. This document explains what you can expect from these services and the associated fees. On some occasions we may refer you to a third party for services or advice. When this is the case, we may be paid a fee or commission, and these will be confirmed to you at the time of referral.

Your investment service

Recommending the best investment solutions for you

Restricted Advice - When you receive investment advice from us, our recommendations are from a curated panel of leading investment companies. This means that when we identify the most suitable investment solutions for you, we look at a range of pre-vetted investments from companies which meet our approval.

If you already have a product or portfolio with another company, we will first conduct an analysis of what you have. This will help us to advise you on the likelihood of achieving your long-term goals in your current position, and we may recommend that this is retained. However, should we find clear indicators that your interests will be better served by moving to our core proposition or our wider panel then we may recommend that you take action.

For new investments we will first consider whether your needs can be met with a product from Quilter's investment platform and/or a managed investment portfolio from Quilter Investors or a discretionary investment portfolio from Quilter Cheviot.

In the event that your requirements cannot be met by our core proposition we can recommend a product from the whole of market.

Because we are part of the Quilter Group of companies, we may be able to secure preferential terms on some products, services and investment solutions within the group for our clients. This is not guaranteed and will be confirmed to you at the point of recommendation.

The advice fees associated with your investment service

You will not incur any fees for our services until we have agreed what they will be. If you have any questions about your fees or when they start, please speak to your adviser.

This document details the fees you will incur for our financial advice services. Please remember that you may also need to pay charges related to the investment products we recommend, however these charges will be presented to you before you agree to proceed with our recommendations.

We offer different ways in which you can pay us for our services. Once we have discussed these with you, we will confirm the fee structure and method of payment.

Advice fee

Once we have assessed your needs and circumstances, we will advise you accordingly and make a personal recommendation for you. If you wish to go ahead with our recommendations, we will implement these for you.

The fee that applies will depend on whether you are making a single payment (otherwise called a 'lump sum'), or whether you are planning to make regular contributions.

For example, a lump sum fee would apply where you seek our advice to invest a one-off inheritance, whereas a regular fee would apply where you ask us to recommend a pension plan which you choose to pay into monthly.

When you invest a lump sum, our advice fee is tiered. This means the more you invest, the lower the fee rate you pay. As well as offering financial benefits, this can give you greater clarity and peace of mind over how much you'll pay for our services, should you choose to invest any additional sums.

Our fees for this service are as follows:

How the advice fee applies to lump sums

- 2% of the amount invested

Example fees

To make it clear and easy to apply to your own circumstances, we have set out below what our fees would be on different investment amounts:

- £20,000 invested, the fee would be £400, which represents 2% of the amount invested

If we recommend multiple products but implement these over an extended period, the total investment amount will be used to calculate any advice fees.

How the advice fee applies to regular contributions

If you pay into your investment regularly, the fee you pay will be based on the level of your monthly contributions for the first 12 months. This amount then determines the level of fee as per the lump sums table above and is capped at that level for consistency.

You can pay your advice fee monthly over the first 12 months or in one payment either direct to us or facilitated by your provider from your funds.

Our typical fee is 2% of the first year's contributions

Example fees

As an example, for a regular contribution of £2,500 per month, your advice fee would be £600.

Fixed fee

We offer a range of advice services at fixed rates, set after initial consultation. We will agree the fixed rate with you before performing any work on your behalf. Typically, our fixed rates are:

Full Financial Review £3,750 plus VAT max.

A fully documented review of your assets and liabilities and net worth; current and projected income and expenses (e.g. projected into retirement); insurance policies, retirement provision and other investments,

including an analysis of current product and fund features and estimated inheritance tax liabilities with generic recommendations to meet your broad financial objectives.

Hourly rates

Based on our experience and the information you provide to us, we will give you an estimate of the cost before starting any chargeable work for you. Our fee will be based on the amount of time we spend providing you with services, at the hourly rates below.

Where you pay an hourly rate for our advice services, we will never exceed the costs outlined in your estimate from us without your prior agreement.

- Work performed by a chartered/diploma qualified financial adviser, Paraplanner or Administrator £250

Example fees

An initial advice service using hourly rates may cost the following:

	Hours	Total
Work performed by a diploma qualified financial adviser, paraplanner and administrator	7	£1,750
		£1,750

Your proportionate fees if you cancel your advice service

We always aim to provide you with the highest quality service and advice to help you achieve your financial goals.

However, should a situation occur where you need to ask us to stop work after agreeing fees with us, you may be invoiced proportionately for the work completed up until that point.

Where proportionate fees apply, we will advise you of this amount on a separate Advice Fee Authority Form and gain your agreement before chargeable work commences.

- 1% per year of the first £1,000,000 of the investment amount
- 0.25% per year of any investment above £1,000,001

Example fees

We have set out below what our ongoing fees would be on different investment amounts

- £3,000,000 invested, the fee would be 1% of the first £1,000,000 = £10,000
- 0.25% for the next £2,000,000 invested, which would be £5,000p.a. to a total annual ongoing fee of £15,000

Succession planning

As a bespoke client, benefitting from our ongoing service agreement, we will look after your assets after your death until probate is granted, provided our contract terms and fee payments are not amended. Our fees can also be invoiced separately to allow the management of your investments to continue. When probate is granted, the assets will be transferred to your beneficiaries at no additional charge.

Existing client loyalty scheme

We are committed to treating clients fairly. Our research has shown that the time it takes to work with a new client is longer than an existing client, mainly related to getting to know them to be able to advise them comprehensively.

To reflect that and to reward the loyalty of our existing clients, we offer them the following:

- 1 Reductions on initial advice / implementation fees to 1% of the amount invested.
- 2 Reduction of initial advice / implementation fees to 0.5% of the amount invested for top-ups of existing plans (an existing plan is a plan that has been active for a minimum of 12 months)

For clarity, an existing client is defined as: 'A client who has effected a plan where we have received ongoing income (trail commission or fee) in the previous 12 months.'

Family member discount

We offer a family member discount because we recognise the importance of retaining and passing on your wealth. Understanding your family unit better allows us to provide the best support during critical times. To reflect this, we offer the following:

- Discounts on the first initial advice fees of 15%. Thereafter the existing client discount will apply

A family member includes your parents, spouse, partner, siblings, children, grandparents and grandchildren, whether connected by birth, adoption or guardianship.

Fixed and ad hoc service fees

For detailed cost of our ad hoc services fees, please see our non-standard fee addendum form.

Financial Review - A documented review of current arrangements in relation to your objectives, orientated to meet a particular need (such as retirement income) with generic recommendations and correct annual

allowance position using verified information from your payslips and service history.

Basic Financial Review - A simple documented review of current arrangements in relation to your objectives, orientated to meet a particular need (such as retirement income) with generic recommendations and annual allowance position using the source data provided to us by the NHS.

Lasting powers of attorney fees

A lasting power of attorney is a legal document that appoints someone to manage your affairs in the event you are no longer able to do so.

There are two types of lasting power of attorney, health and welfare, and property and finance.

Medical Family Finance can help you to complete your lasting powers of attorney applications. We will send you the relevant form to complete online, check the details are correct and finalise the form before asking you to sign it.

We will then submit the lasting power of attorney to the Office of the Public Guardian for registration. For bespoke clients, lasting powers of attorney is a complimentary service.

Insurance

We offer life, critical illness, private medical insurance, income protection, whole of life and general insurance from the whole of the market.

We offer private medical insurance based on a fair analysis of the market.

We may refer you to another company for advice on buildings and contents insurance, landlord's buildings and contents insurance, or personal accident and sickness insurance these products. They will provide their own documents confirming their terms, service, and what you can expect. We are not responsible for any advice they give you and any complaints would be covered by the firm's own complaints procedure. We will receive a share of commission for these referrals.

Full details of any commission we receive from the product provider will be set out in your illustration document issued by the product provider before you purchase an insurance policy.

You will not pay us a fee for any insurance advice we provide you with. Instead, we will be paid a commission from the product provider.

The permitted scope of our advice

We have set out above the business that Quilter Financial Services Limited / Quilter Financial Limited is permitted to carry on..

We can only offer advice from certain leading investment, insurance, and mortgage companies. By restricting our business to a selected panel of product providers and a carefully chosen range of their products, Quilter Financial Services Limited / Quilter Financial Limited ensures it is able to meet the needs of its clients and delivers the high standards they expect. We can provide a list of the companies on our panel upon request.

The Quilter Group of companies offers a range of market leading pension and investment solutions through a UK platform. Pension and investment solutions offered by Quilter form an integral part of our core investment proposition. However, we will only recommend that you invest into pension/investment solutions offered by Quilter if it is in your interests to do so.

Examples of products and services which we are prohibited from recommending include:

- Any overseas service or product (for example QROPS and QNUPS), apart from offshore bonds designed for UK-resident clients; and
- Non-mainstream pooled investments, such as unregulated collective investments schemes.

If you wish to consider a product or service which is not included in the Quilter Financial Services Limited / Quilter Financial Limited authorised list, and which is not offered by any other Quilter group company, we may be able to introduce you to a third party who can assist. Please note that if we introduce you to a third party in this way, any information and/or advice on the product and service will be provided by that third party. Neither we nor any Quilter group company accepts any responsibility for any information and/or advice provided by any third party.

Please call us if you have any queries or concerns, using the contact details on the front of these Terms.

Client categorisation

By default, we categorise all of our individual clients as retail clients. This means that you have the highest level of protection available under the regulatory system.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the Financial Ombudsman

Service or the Financial Services Compensation Scheme.

In our dealing with you, we will be representing you as client.

You may have the right to ask to be categorised as a professional client. Please let us know if you would like us to consider categorising you as a professional client. You should be aware that, if you are categorised as a professional client you are given fewer protections under the regulatory system than you would have as a retail client. For example, you may not be eligible to complain to the Financial Ombudsman Service or bring a claim against the Financial Services Compensation Scheme if we are unable to meet our financial obligations.

If you have any questions regarding your categorisation (e.g. if you are a large company), please write to Quilter Financial Planning Ltd Compliance Department, Sunderland, SR43 4JR or use the contact details shown on the front of these Terms.

Best Execution

Where we recommend investments and funds for you, these will typically be bought via an investment platform that we also recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our best execution policy. For example, most collective investments will be bought or sold at the next valuation point (typically midday) on the next business day after the instruction is received by the platform. We will provide you with a copy of our Best Execution policy upon request.

Paying for advised services

If your advice fees are paid out of the amount you pay to your product provider or platform administrator for investment, this will reduce the amount that is invested. The initial advice and ongoing advice service fees will be a percentage of contributions invested or percentage of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash amount will vary depending on the value of your investment at the time.

Product providers and platform administrators will detail the specific process they operate to facilitate an advice fee in their product documents.

If you choose instead to pay your fees directly to us, we will issue an invoice to you, which must be settled within 14 days. We reserve the right to charge interest on late payments at a rate of 3% above bank base rate.

Full details of the final advice will be provided in your Suitability Report. Details of any future service fees will be provided in the 'Confirmation of Services' section of this document.

Other costs, including taxes, related to transactions may arise that are not paid via us or imposed by us. You can pay for our services by bank transfer or cheque as we never handle cash. There are no additional fees for our services for using a means of distance communication.

VAT

In most instances, our fees are exempt from VAT. However, if VAT is payable – for example, where a discretionary fund manager forms part of our recommendation, or where a fee is charged before application – we will tell you.

The advice fee for an ongoing service may also be exempt from VAT if the initial advice fee is exempt and the ongoing fee is agreed at the time of the initial advice. Ongoing fees in relation to Discretionary Fund Manager solutions are likely to be subject to VAT.

The fees set out in these terms do not include VAT unless states otherwise. If VAT does apply it will be charged on top of the stated fee. The law on which services are and are not subject to VAT may change in the future.

Client money

We do not handle client money. We never handle cash and will only accept a cheque made out to us in settlement of advice and service fees. Our preferred method of payment is bank transfer.

Your duty to disclose information

The financial advice and recommendations we provide are based on your personal financial circumstances and objectives that you disclose to us. We will confirm these and the reasons for any recommendation in our advice. It is important that the information you give us is accurate and a true reflection of your current circumstances, as that will form the basis of the advice and recommendations that we give.

You must provide complete and accurate information to product providers such as insurance, mortgage or investment companies. If you don't disclose relevant information or a change of circumstances, your policy, mortgage or investment product may be invalidated - for example, an insurance claim may not be paid. We strongly recommend that you thoroughly check the information you provide before you submit it.

Addressing financial crime

We are required to comply with laws and regulations designed to prevent money laundering and other financial crime. Our responsibilities include verifying the identity and address of our clients and anyone making payments on their behalf. If asked, you must supply proof of your address and/or identity.

Identity verification checks include electronic searches of the electoral register and the use of credit reference agencies, which will result in a soft footprint on your credit file. This footprint is not visible to other financial service providers and does not affect your credit rating in any way. Your acceptance of these Terms represents your permission for us to carry out these checks.

Changes to these Terms

We may change these Terms, including our fees and commission rates, from time to time in whole or in part. We can change these Terms:

- to reflect changes in the costs or charges that we incur or expect to incur in providing our services, including changes in the rates of tax or how it is applied
- to reflect current or future changes in law, FCA rules or market practice, or decisions of the Financial Ombudsman Service
- to meet regulatory requirements, industry guidance or best practice, or the requirements of any of the firms whose products or services we make available to you
- to allow us to introduce new systems, products or services or to reflect changes in the way we deliver our services to you
- to reflect how our services are used and ensure the costs of our services are allocated fairly
- to make these Terms easier to understand, fairer or to correct errors.

We will give you at least 30 days' notice of any change to these Terms that may be detrimental to you, unless we are required to make the change sooner.

These Terms are based on our understanding of the law and regulations when the Terms were written. If there is a change to the law or regulations, or how they are interpreted, we will not be liable for any loss that may result.

Conflicts of interest

To ensure client interests are always put first, we operate a robust conflicts of interest policy. If a potential conflict of interest arises, it will be actively managed, and we have arrangements in place to ensure good outcomes for our clients.
